Pathologies of Power Health, Human Rights, and the New War on the Poor Paul Farmer Chapter 1 On Suffering and Structural Violence Social and Economic Rights in the Global Era Growth of GNP or of industrial incomes can, of course, be very important as means to expanding the freedoms enjoyed by the members of the society.

### **Chapter 1 On Suffering and Structural Violence**

PATHOLOGIES OF POWER is central to the current debates on health, social justice and human rights. It is also an essential tool for anybody involved in any aspect of public health care, medical ethics and sustainable development. Furthermore, it is an extraordinary study resource for everybody interested in the future of human well being.

### **Pathologies of Power: Health, Human Rights, and the New ...**

The field of health and human rights has grown quickly, but its boundaries have yet to be traced. Fifty-one years after the Universal Declaration of Human Rights, consensus regarding the most promising directions for the future is lacking; however, outcome-oriented assessments lead us to question approaches that rely solely on recourse to formal legal and civil rights.
