The Nightside novels are like the change you find down the back of the sofa when you're broke. They put a nice little smile on your face even when you know they won't last long, but there is just enough for a pint and a packet of crisps. This Hex and the City book review was written by Fergus McCartan

### **Hex and the City by Simon R. Green - Books on Google Play**

The past couple Nightside books have basically been Raymond Chandler mysteries through a Neil Gaiman world. But "Hex and the City" is where Simon R. Green's fantasy world suddenly expands into far, far more than just a dark detective story, with epic consequences and a history spanning back to the very roots of time.

### **Hex and the City: Nightside, Book 4 (Audible Audio Edition ...**

'Hex and the City' by Simon R Green is the fourth book in his Nightside series and is a large step forward for the story that begun with 'Something from the Nightside'. In it John is hired by the goddess Lady Luck to go in search of the origins of the Nightside and finally he gets his chance to start looking for answers he has wanted all his life.
