Jacques Bonnet has a decent-sized private library -- over 40,000 volumes, apparently -- and Phantoms on the Bookshelves is a slim work in which he consider his (and others') book-obsession. His is not a 'bibliophile library' "containing works so valuable that their owner never opens them for fear of damaging them", but rather one where the ...

### **Phantoms on the Bookshelves - Jacques Bonnet**

I paused after reading these words from Jacques Bonnet in his wonderful little book Phantoms of the Bookshelves. His description of his earliest memories on the path that has led him to fill his home with a personal library containing tens of thousands of books hit close to home for me, as I remembered my own childhood when I would sit at the breakfast table reading --- studying really --- every word on the cereal box and milk carton in front of me.
