Hidden Agendas John Pilger

'Hidden Agendas' is one of John Pilger's most substantial and challenging books. It strips away the layers of deception, dissembling language and omission that prevent us from understanding how the world really works.

Hidden Agendas - John Pilger

John Pilger's writing in Hidden Agendas is, as ever, powerful and compelling. Like Chomsky, there are a few case studies he revisits time and again, but I think the subject matter bears repeating. For a fourteen year old 'current affairs' book the subject matter remains surprisingly relevant.
