Mike Davis Planet Of Slums: Final In this essay I am going to explain why Mike Davis places responsibility on the treason of state, international banks, and lending institutions for the horrific conditions in what he describes as the urban south. I will also explain why there is a vast migration from the rural villages to the megacities of the ...

Planet Of The Slums By Mike Davis - 1458 Words | Cram

If any of us has seen the places in the developing world that Mike Davis catalogues remorselessly in Planet of Slums, it was probably from an aeroplane. That doesn't always mean 35,000 feet, for as Davis points out, poorer people tend to colonise the marginal land of cities where air terminals were once built at a comfortable distance from prosperous centres of medium or high population density.

Jeremy Harding reviews 'Planet of Slums' by Mike Davis and ...

About Planet of Slums. According to the united nations, more than one billion people now live in the slums of the cities of the South. In this brilliant and ambitious book, Mike Davis explores the future of a radically unequal and explosively unstable urban world.
