Places Left Unfinished at the Time of Creation: John ...

In my family, virtually nothing has been handed down, not because there was nothing to give, but after leaving Mexico to come to Texas—so many loved ones left behind, cherished places and things abandoned—the antepasados ceased to regard anything as a keepsake. Everything was given away.

Places Left Unfinished at the Time of Creation

Places Left Unfinished at the Time of Creation is a memoir by John Phillip Santos about his Mexican-American roots, contrasting the historic San Antonio, Texas of his childhood and his grandparents' memory with the contemporary, Anglicized San Antonio of the present. Like many Mexican families, Santos's ancestors fled from Mexico to the north, or El Norte, during the Mexican revolution, and have stayed on the border ever since.

A moving, intellectually powerful memoir of Mexican-American life. Born in San Antonio in 1957, Santos, a journalist and television documentary producer, grew up in an extended family whose elder members remembered a Texas that had not yet become anglicized. Through their eyes, Santos revisits that time, looking deeply into the Mexican past as a way of informing the present.
