Eric Brown (Author of Helix) - Goodreads

Helix, Eric Brown (2.5) At first I thought this book was pretty good – given I found it in the free book section of a cruise ship’s library – and wondered why I had not heard of it before. By the time I completed it, I realized why some Science Fiction is not well known.

Helix: Eric Brown: 9781844164721: Amazon.com: Books

I enjoyed Brown's epic perspective, but the book felt a little lacking in the 3rd dimension. The sheer size of the Helix (which is itself a marvellous concept) is conveyed well, or at least as well as such size can be conveyed, both by prose, and by the reaction of the characters. But somehow I never really felt drawn down to ground level.
