Is it possible that the division between the clergy and the laity is unnecessary and, in fact, harmful to the church? In Organic Leadership, Neil Cole fervently says yes and shows how this causes great harm to all. But rather than doing away with the clergy, Cole argues that the answer is to raise up organically grown leaders from ordinary Christians and make everyone "a priest."

Organic Leadership | Baker Publishing Group

What's not recognized is that leadership itself is organic in organic organizations. Organic leadership is the spontaneous action of challenging what someone else is saying and advocating a different idea or direction. It's also the entrepreneurial seizing of opportunities. Hence organic leadership emerges in the heat of battle - often at the front lines with employees closest to the market and the development of new products.
