A person that can feel his feet on the ground and the contact with the earth can be in the present. In this way, grounding is a basic prerequisite to experience and live Yoga integrally. Disconnecting from the body -not being grounded- impacts our emotional, mental, psychological and physical health tremendously; it reduces our vitality and renders us incapable of experiencing pleasure and joy.

Grounding: get Grounded and down to Earth - Anapnoe Yoga ...

Grounded: A Down to Earth Journey Around the World. The premise interested me -- a guy and his girlfriend set out to circumnavigate the globe. No air travel involved. So they travel by freighter, by cruise ship, by train, by bus, by car, all while he repeatedly talks about how awful air travel is these days.
