Henri Barbusse. COMMENTARY. For someone who wrote one of the greatest novels to come out of the First World War and is often credited as the writer who turned French literature around in the twentieth century, Henri Barbusse is surprisingly little known in much of the world today.

### **Henri Barbusse - The Greatest Literature of All Time**

"The Inferno" is therefore a tragic book. But I think that the attentive reader will find that the destructive criticism of M. Barbusse, in so far as it is possible for him to agree with it, only clears away the dead undergrowth which obscures the author's passionate hope and belief in the future.
