i am taking the introduction to engineering course in the project lead the way program at my high school and i am really worried about the final exam. while i have an "A" in the course, my teacher has not taught us anything, we students had to learn everything by ourselves. So we are all very scared about the final exam, because we have no idea what will be on it...

Civil Engineering and Architecture (CEA) is a high school level specialization course in the PLTW Engineering Program. In CEA students are introduced to important aspects of building and site design and development. They apply math, science, and standard engineering practices to design both residential and commercial projects and document their work using 3D architectural design software.
