Writer and filmmaker, Michael Crichton (Oct 23, 1942 - Nov 4, 2008), best known as the author of *Jurassic Park* and the creator of *ER*, was born in Chicago and grew up on Long Island, New York. Apparently, his writing career began with turning out school assignments for classmates.

### **Summary and reviews of Pirate Latitudes by Michael Crichton**

Michael Crichton has never been a terribly graceful writer, but he was a master at plotting. His novels *The Andromeda Strain* and *Jurassic Park* wed terrific premises to rock-solid structures that practically force readers to continue turning pages. Even his lesser works tend to have plots that are more raw momentum than anything else. It's a pity, then, that his posthumously published *Pirate ...*
