Written in the 1800s but still fresh and compelling, H. Clay Trumbull's very helpful Hints on Child Training casts a great vision for a coherent philosophy/theology of parenting. If you're looking for something that balances vision with practical suggestions, this book would be a great choice. {Read my full review here}

"Hints on Child-Training may be helpful, where a formal treatise on the subject would prove bewildering. It is easier to see how one phase or another of children's needs is to be met, than it is to define the relation of that phase of the case to all other phases, or to a system that includes them all.

Mr. Trumbull gives some practical hints for parents looking for ways to help their child to courtesy. In training a child to courtesy, it is of little use to tell him to be forgetful of himself; but it is of value to tell him to be thoughtful of others. The more a person tries to forget himself, the surer he will be to think of himself.
