physics. Want to know why and how matter and energy behave the way they do? From the structure of atoms to the properties of heat, light, and sound, we explain physics in plain English. Our study guides are available online and in book form at [barnesandnoble.com](http://barnesandnoble.com).

### **Physics Study Guides - SparkNotes**

I have never seen a study guide with this type of format. (Full disclosure - my son is the student taking physics, but there wasn't a guide like this when I took physics either) The answers to the problems are written out as a discussion between "Student" and "Tutor" with "Student" stating what steps to take and why and then asking questions when stumped and being guided by "Tutor" - not just ...
