They're thinking this could be the move that puts them over the top and turns them into a real contender, but we have no idea what the Giants are thinking. We have to assume they are rational actors in this situation, so let's throw out some options of what in the world is going on in the Giants front office.

What are the Giants thinking about when it comes to the ...

HE COMES NEXT Think of it as the hydraulics of desire. A system of "valves" enables blood to be retained in the penis and then allows blood to be expelled post-ejaculation, which returns it to a flaccid state. Does Size Matter? In many men, the penile shaft is the focal point of anxieties around size.
