4 15 to 20% weight of total scores must be given to objective type questions and up to 20% weight of total score must be given to essay type questions. the highest score that can be given to a question in the question paper is limited to 10% of the total score. while fixing the time for answering a question, time for reading, comprehending and writing the answer must be considered.

SAMPLE QUESTION PAPER BIOLOGY - Kerala

I am a science teacher who has not taught botany in several years. Today my fifth grade students did an experiment in which they placed a white carnation and a stick of celery (both the exact same length) in colored water. They hypothesized which would absorb the water to the tip the fastest. Several thought the celery would due to the visible veins and more surface area in the water.
