### **Sci Fi Science Physics of the Impossible Season 1 Episode 1**

I didn't move the redirect Physics of the Impossible, but I'll do so now. In the meantime, I'd like to point out that I regard Physics of the Impossible as a much better title for the article. We generally don't include lengthy book subtitles in the titles of our own articles on books, although they are useful as redirects.

### **Talk:Physics of the Impossible - Wikipedia**

Physics of the impossible Its a very interesting book, it goes into depth about a lot of things some people would usually have trouble understanding. But Michio Kaku did an excellent job by basically translating it to us, good read and highly recommended for people who have interest into the future and or for entertainment.
