"Great American Hypocrites: Toppling the Big Myths of ...

Greenwald goes on to argue that prominent Republicans from Ronald Reagan to Mitt Romney display the same hypocrisy in their public ideologies and personal lives.

Great American Hypocrites: Toppling All of the Great Myths ...

Great American Hypocrites is the best book I've read on how the media works since Neil Postman's Amusing Ourselves to Death: Public Discourse in the Age of Show Business. In some ways, I think it's an even more important read for conservatives than it is for liberals -- at least for conservatives, like yours truly, who put principle before party.

Great American Hypocrites : Toppling the Big Myths of ...

The first book to dissect the Republican Cult of Personality and leave it openly exposed in its unabashed, shameful depravity, Great American Hypocrites is a deeply necessary call-out to Democrats to attack the GOP with their competitor's very own weapons.

Glenn Greenwald - Wikipedia

To prove his point, he tells us about John Wayne, who, he says, was the "pioneer of the great American hypocrites." "While Wayne adopted super-patriotic political positions and held himself out as a right-wing tough guy, he did everything he could to avoid fighting for his country during World War II," says Greenwald.
