Practices Of An Agile Developer

A "team" in the Agile sense is a small group of people, assigned to the same project or effort, nearly all of them on a full-time basis.

What is an Agile Team? | Agile Alliance

The Certified Scrum Developer® course is aimed at software developers (programmers) who are building software in a Scrum environment. The goal is to expose students to the most important tools and techniques that need to be applied in order to build good software in the iterative and incremental fashion that Scrum requires.
