Otherbound Corinne Duyvis

OTHERBOUND is a fantastic YA debut by Corinne Duyvis. Everything about this book was done amazingly well.

Corinne Duyvis • science fiction and fantasy

Otherbound is a web of spells and counterspells, but Corinne Duyvis never loses sight of the bodies, minds and all-too-human emotions that absorb the impact of the magical power-plays. It's an action-packed tale of passion, possession and hair-raising leaps from world to world. As you read it, remember to keep breathing.

Otherbound • Corinne Duyvis

Otherbound looks at the concept of escapism, and the disturbing possibility that an alternate life could be so consuming, it would be worth abandoning everything you love to give in to it. Duyvis also deftly explores incredibly complex issues like personal autonomy and bodily integrity and the ethics behind a violation of either.
