Harmonic Feedback by Tara Kelly tells the tale of a teenage girl with Asperger's syndrome, ADHD, and anxiety disorder who joins a band and meets her dream guy.. At least, that's what I thought it would be about. It turned out to be something totally different. I chose this book because I, too, have Asperger's and am learning how to play guitar.

Review: Harmonic Feedback by Tara Kelly - Disability in Kidlit

HARMONIC FEEDBACK has a unique voice and memorable characters. The few issues I had with plot and pacing paled in comparison to Tara Kelly's resonant writing, which made this a lovely read for me. Drea may have many labels assigned her, but we'll all be able to recognize a bit of ourselves in her slightly eccentric, no-nonsense social ...

Book Review: Harmonic Feedback by Tara Kelly | Mboten

The only one we have on our list is Harmonic Feedback by Tara Kelly. We haven't read this book, so can't say much about it, but the author has ADHD herself and has previously contributed to Disability in Kidlit, so we're hopeful! The Percy Jackson series by Rick Riordan, of course, features secondary female characters with ADHD. Sort of.
