Gigi by Colette. The curtain opens and we're introduced to Gigi, a fifteen-year-old Parisian who is soon deemed ready to be groomed to follow in the footsteps of the other courtesans in her family. They are a social class apart: independent, educated and with a defined place in the fine society of turn-of-the-century Paris.

Summary. In once again portraying the charm and humor of an independent and mischievous adolescent, Colette comes full circle in her career, ending her writing with a character very similar to the one who made her reputation, Claudine. It is through her ebullience and love of life that Gigi wins Gaston's true affection,...

Colette, not unlike Gigi, lived by her own rules and didn't care much for the sexual restrictions imposed on her by proper society. In some ways, Gigi is the proto-manic-pixie-dream-girl who shakes a male character out of the depression and boredom brought on by my vacuous women and an empty and unfulfilling lifestyle.

Colette's last work of fiction, "Gigi," which was adapted as a stage play and later a Hollywood musical, is the most familiar to American audiences. Written during the Occupation, the novella follows a young girl who is meticulously groomed to become a courtesan and courted by a wealthy man who unexpectedly chooses to marry her.

### **The Many Faces of Colette - shondaland.com**

Colette herself apparently chose Miss Hepburn to play the part in the stage production after glimpsing the young dancer-actress walking through a hotel lobby, but her physical appearance, petite, gamine, dark-eyed and brunette, is just so opposite in comparison to the description of Gigi as a tall, rosy-cheeked, blue-eyed blonde.
