GRAHAM NOOK BRENNALYONS PDF - s3.amazonaws.com

This was one of the type of short story that I think would have benefitted from a slightly longer format. The idea behind it is cool (alien lord grows up on Earth with no knowledge of his people and gives up his crappy life to travel to his home planet and impregnate many women) but there's a lot of information that gets tossed out there to help build the world and give you a sense of who ...
