Hannah's Blessing was a very big disappointment for me. The story is supposed to center around a 5 year old little girl, Hannah. However, she is hardly ever present in the story. Most of the time, she is asleep. I think she may have had 10 sentences in the whole book. The author obviously has not had any real life experience with children.

The morning after the accident, Hannah had awakened to find their elderly neighbor dozing on the sofa while Diana had gone with the police. She had been worried when her mother returned pale and numb with shock. After Diana had told her there was a bad accident, Hannah had cried. However, the tears were more from confusion than understanding.

review 1: I liked the book but felt the characters were weak. For 2 smart, successful people they acted dumb. Can two people who really love each other be so closed mouth about their feelings for each other.

But the real gift in Hannah's Blessing is the message that throughout the challenges that life brings in human relationships, dreams can still come true, and good can come of the bad. Collette Scott is as gifted as Nicholas Sparks in storytelling. I will certainly read another of her heart wrenching books.
