### **Canon's 250-megapixel sensor powers eagle-eyed camera - CNET**

We broke the news back in October telling that the next Canon EOS R model will be a high resolution camera. This was later indirectly confirmed also by a Canon exec. The last bit we got suggested this camera might be announced during Q1 2019, before Photokina 2019. We also know (again: from Canon execs during conferences and interviews.) what RF-mount lenses Canon is going to announce in 2019.
