But Dark Space is only safe because the alien invaders don't know exactly where it is, and now they have a plan to find it which will threaten not only Dark Space, but the entire human race. For a good 2/3 of the book, this story took the same tact as its predecessor and just piling on the bleakness.

### **Review of Dark Space: Origin - MichaelSciFan**

Dark Space Origin is the space opera finale of the struggles between the remnants of the Dark Space based ISS fleet (not sure you'd even call it a fleet) and their survival against Brondi's gang of thugs and the Sythian menace. If you haven't already done so, please start with book 1 and work your way to book 3, or else it won't make much sense.
