Book 4: Gregor and the Marks of Secret I don't know why but I felt like I was reading something from Catching Fire with this book. It may have something to do with the fact they are both books to follow up to the grand finale.

Book 4: Gregor and the Marks of Secret

Overall, Gregor and the Marks of Secret did not meet my expectations, which saddens me. The only reason it isn't getting a one is because I think the author sets up the next book nicely. Hopefully, the last in the series is better.
