I HAD TO buy this for my math class. I was not excited about it but it was the only way I could do the online homework that's assigned. It's basically just a card board sheet with a code inside (i was not thrilled about paying this much money for this) that can be used only ONCE, once you've registered the code on Pearson's My Lab's website.

If a student forgets their username and/or password, Pearson sends an automated email containing not only the username, but the password as well, in PLAIN TEXT. Wow. I actually had a goal to one day find a website that, when you clicked "forgot my password", it would actually tell you what your password was.

I'm dropping out. Thanks, MyMathLab. : funny - reddit
