Churches have tried all kinds of ways to attract new and younger members - revised vision statements, hipper worship, contemporary music, livelier sermons, bigger and better auditoriums. But there are still so many people who aren't being reached, who don't want to come to church. And the truth is that attendance at church each week...

Organic Church: Growing Faith Where Life Happens

Cole suggests that Jesus intends the church to grow by making disciples, not by “planting churches.” It is through the multiplication of disciples that churches are birthed, grow, and reproduce. The basic unit of the Kingdom of God is a follower of Christ in relationship with another follower of Christ.

Organic Church: Growing Faith Where Life Happens (Publisher: Jossey-Bass). Neil Cole's Organic Church does what sermons are supposed to do - comfort the disturbed and disturb the comforted. I fall in the first category. For the past few years I would leave church on Sundays (as a pastor and attender) thinking, “This can't be what Jesus had in mind.”
