Apartment Storage Solutions for NYC: Your home as a bento box? February 7, 2013 [Updated] When The New York Times posted this story—and, most especially, the accompanying slideshow—about Tomoko and Kimio Akiyoshi's compact (1,400 square feet) yet exceedingly clever Noho apartment, it became an immediate internet sensation... at least, among architecture and design bloggers, tweeters and ...

Apartment Storage Solutions for NYC: Your home as a bento box?

How does self-storage in New York work?. A storage unit's price is based on several factors, including the facility's amenities (such as 24/7 access, free use of truck), the storage unit's amenities (such as climate control, electrical outlet), facility location, unit location (a ground floor unit will be more expensive), and overall demand in your area.
