Peony (novel) - Wikipedia

Peony is an interesting look at the death of the Jewish community of Kaifeng, China, though in many ways, it is a case-study for what could happen to any Jewish community that becomes assimilated. Pearl S. Buck's writing is excellent, and the storytelling is engaging.

Peony By Pearl S. Buck - adoptadognortheast.co.uk

She praises Pearl Buck's depiction of the culture, though notes that Buck took some liberties with the actual history in order to write a more sweeping story that basically encompasses the entire 19th century. The Wikipedia page on Peony notes that more is known today about the Jews of Kaifeng than was available in the time the book was written.
