### **God And The Folly Of**

Jul 20, 2015 rated it it was amazing. God and the Folly of Faith is a well-written contribution to the parade of books presenting a solid case for the claims of the New Atheists that religion represents a real danger to the world we live in.

### **God and the Folly of Faith: The Incompatibility of Science ...**

The Folly of God is the first volume of the new God and the Human Future series, edited by David Galston. This series tests the very limits of "God questions"—the meaning of God, the existence of God, the future of God. Books in this series take seriously that such questions are mediated always through human language and scientific thought.

A thorough and hard-hitting critique that is a must read for anyone interested in the interaction between religion and science. It has become the prevalent view among sociologists

### **God and the Folly of Faith: The Incompatibility of Science ...**

- The love of God is folly because He brings life to all our dead places, to our broken relationships, to failed marriages, to jobs that ended, to dreams that died. Jesus raises us up to new life.
- God's love is folly because it is undeserved and unconditional, not based on moral perfection, not changing.

The Folly of Life Without God "Thus says the Lord: 'Cursed is the man who trusts in man and makes flesh his strength, whose heart turns away from the Lord. He is like a shrub in the desert, and shall not see any good come. He shall dwell in the parched places of the wilderness, in an uninhabited salt land'" (Jeremiah 17:5-6).

Community Reviews. The folly of God is that God does not exist; God insists. The Messiah is not the name of a Superagent coming to reward and punish. We are the messianic people; we are the ones that the dead have been waiting for. We are the one that God has been waiting for. God insists, while existence is up on us.

God, Help My Unbelief | The Folly of Money. Posted on May 13th, 2019. ... God wrote about money more than any other topic in the Bible besides love. He said in 1 Timothy 6:10 (NASB) "For the love of money is a root of all sorts of evil, and some by longing for it have wandered away from the faith and pierced themselves with many griefs ...

The Folly of God continues the radical reading of Paul's explosive language in 1 Corinthians about the stand God makes with the nothings and nobodies of the world first introduced in The Weakness of God and The Insistence of God. "This volume represents the most accessible and arresting account yet of John Caputo's radical theology.

Caputo declares, quite forcefully, "The folly of God is that God does not exist. God insists, but God does not exist" (78). In the wake of decentering God and destabilizing the footing of high/strong theology, Caputo sets the stage for his "theopoetics." God no longer has any need to exist, but to simply insist.

The Folly of Fighting God. The most powerful people, the leaders of the world, who become the pawns in the game of Satan and who engulf their own people in the fight against God. They are nothing but straw men in one sense and their kingdoms are paper kingdoms, and yet they attempt to fight against the mighty God of the universe.
