Global SCS - Supply Chain Solutions - Homepage

Global Supply Chain Solutions, LLC was founded in 2000, at a time when there was a major shift in the Electronics Industry from complete outsourced turnkey production to a centralized supply chain model. This shift helped OEMs and CMs regain control of their materials, inventory and costs; however, this migration was limited to large Fortune 50 companies as smaller companies didn't have the ...

The Körber Business Area Logistics Systems - highjump.com

As detailed in CDP's Global Supply Chain Report 2019, suppliers reported a total of 633 MtCO2e in annual emission reductions last year - an amount greater than the emissions of South Korea. This led to a collective cost saving of US\$19.3 billion. Meanwhile, with major purchasers now deselecting suppliers based on environmental performance, taking action is no longer an option.
