I enjoyed Half the World more than I enjoyed Half a King. I'm not sure if that is because it was a better book or if it is just because I'm now more familiar with Abercrombie's writing style and with what to expect from his stories. The big change in this second instalment of the Shattered Sea series was the change in POV.

The series tells the story of Yarvi, youngest son of a warlike king. Born with a crippled hand, he can never live up to his father's expectations of what a real man should be and his destiny is not the throne but the Ministry, not the sword and shield but the book and the soft word spoken.

### **Shattered Sea Series by Joe Abercrombie - Goodreads**

"Half the World remains true to the standard Abercrombie has set for himself, an entertaining read that stands firmly on its own, despite being the second in a series. It's a thoroughgoing blast, a violent, beautiful rabbit hole of craft that is well worth disappearing into for a few hours or days."
