Dee Professor of Organizational Behavior at the Graduate School of Business at Stanford University, and he's the author, or co-author of 13 books.

### **Power: Why Some People Have It And Others Don't - Part 1**

This book is about real people who have been kind enough to share their stories with me over the years. In most instances, I have used their real names—in some instances they are public figures and some of the material comes from public sources. However, in a few cases, at the request of my sources, I have changed the names of people and,
