Pills And Starships Lydia Millet

That is not a new story, and Lydia Millet has no intention to sell it as such. What is new about her debut YA, PILLS AND STARSHIPS, is the solution that the government has found in order to deal with the wasteland that future Americans will call home.

Pills and Starships: Lydia Millet: Hardcover ...

Pills and Starships is a chilling look at an ecologically damaged future where big business and the government have not only seized control of the surviving population through drugs, but have taken charge of death itself. Lydia Millet has raised questions that will resonate with readers for years to come."

Pills and Starships | Lydia MilletAkashic Books

Pills and Starships is more about a future family when families are at the point of dying away. (They call Nat and Sam's generation the last generation.) There is a sense of melancholy to the whole book (Nat's parents are about to die) but it is mingled with the hope and irrepressible optimism of the young.

Lydia Millet has raised questions that will resonate with readers for years to come."

Pills And Starships : Lydia Millet : 9781617752766

I wouldn't classify Lydia Millet's wonderful adult novels as full-bore speculative fiction, but they do edge into that territory (Oh Pure and Radiant Heart), or read like mainstream novels that understand science fictional protocols (the beautifully written trilogy that begins with How the Dead Dream). Her first venture into young adult fiction, Pills and Starships (2014), shares many of ...

Amazon.com: Pills and Starships: A Novel eBook: Lydia ...

Pills and Starships, by Lydia Millet One of the great problems with discussions of climate change is the bleak future they tend to paint. In the worst cases, the ice caps melt, rising seas flood coastal cities, diseases mutate and run rampant, institutions value people by their carbon footprint, and mega-storms wreak havoc on what's left.
