### **Green City In The Sun**

Green City in the Sun. Set in Kenya, in 1919, this book is of a British family, the Trevertons, who settle on an estate on the homeland of Kikuyu and the antagonism that develops between them and the tribe's own medicine woman, whose powers they disregard. "Domina" and "Vital Signs" are written by the same author.

### **Green City in the Sun by Barbara Wood - Goodreads**

Green City in the Sun was one of her best. The characters were well developed and believable, and I liked learning about the history that is presented. The settling of Kenya by the British as a colony is an area of history that was most enjoyable for me to experience.
