most important pursuit of every human. Chris Brady provides a fresh approach to finding meaning as he leads you through the adventure of your life like a veteran tour guide with his newest book PAiLS.

### **Pails by Chris Brady**

The following excerpt was taken from Chris Brady's book, PAiLS. "If only I had bought that lakefront property way back when!" "If only I had asked her to marry me before it was too late." "If only I'd tried harder in school." "If only I'd been a little more serious when I was younger."

### **PAiLS | LIFE and Leadership by Chris Brady**

Book Review: PAiLS by Chris Brady. The author, Chris Brady, is neither psychologist, allied health, neuroscientist or a Dr Phil cousin-brother. He is a recovered systems engineer who moved from an unhappy and emotionally constipated professional lifestyle to a fulfilled and self-actualising community development advocate who now grows compensated...

the receiving pail our Legacy. The water flowing between the two represents our Actualization, or the living out of our potential in the present moment. These three pieces together have almost given us the map we sought, although, to be sure, a diagram of a pair of pails is not nearly as cool as, say, a seventeenth-century pirate treasure map.
