### **Harmful to Minors - Wikipedia**

Community Reviews. This is not a typical book, in some ways, and in others, it very much is. Harmful to Minors makes many fair points about infantilizing children, pathologizing normal behavior, and using people's protectiveness of children to pass censorship laws. On that note, I could recommend the book.

### **Harmful to Minors: The Perils of Protecting Children from ...**

In this important and controversial book, Judith Levine makes this argument and goes further, asserting that America's attempts to protect children from sex are worse than ineffectual. It is the assumption of danger and the exclusive focus on protection — what Levine terms "the sexual politics of fear" — that are themselves harmful to minors.
