### **"Please change source resolution" when using my Phillips LCD TV as a mirror display with my Macbook Pro? | Yahoo Answers**

Best Answer: Your TV is telling you that the DVR resolution is not recognised. Whilst watch that on screen adjust your DVR's (read the manual) resolution to its highest. either that or just use a different output from the DVR. if it has a Red/yellow/white cable use that that rather than the SVGA cable. Source(s):
