Just exercise just what we provide below as with ease as evaluation here lies bridget paige harbison what you taking into consideration to read!*

### **Here Lies Bridget Paige Harbison**

Here Lies Bridget was a short book, and while it's plot had me intrigued enough, I never really connected to it's characters. The first half of Here Lies Bridget is Mean Girls without the humor, and the second half is A Christmas Carol without the ghosts. It was interesting enough, but for some reason something about it was a bit off to me.

### **Here Lies Bridget by Paige Harbison - Goodreads**

I decided to request Here Lies Bridget by Paige Harbison because it sounded very similar to Lauren Oliver's Before I Fall, one of my favourite reads of 2010. Harbison's novel begins with a prologue in which Bridget is speeding and crashes her car before taking the reader back a few weeks in time to reveal how she got into her current ...

### **Here Lies Bridget by Paige Harbison**

Harbison's understanding of the teen point-of-view, and what's most and least important in that world, impressed the hell out of me. In the same way that a "Groundhog's Day" or "It's a Wonderful Life" must set up the situation, so must "Here Lies Bridget" -- and it's as enjoyable a set-up as it is a pay-off.

Here Lies Bridget. Paige Harbison. Harlequin Teen: 219 pp., \$9.99 paper. Young adult fiction has long been populated with mean girls — vicious, boyfriend-stealing tarts who underdress, over ...

### **Not Just for Kids: 'Here Lies Bridget' by Paige Harbison ...**

I do think this book will appeal to many YA readers as it did have a cool concept, but I personally felt it was a bit flawed. I certainly didn't dislike it, but I would have liked to see more of a transformation and a somewhat toned down Bridget. I will read more books by Paige Harbison if she writes more in the future. This was a good debut ...

HERE LIES BRIDGET, by Paige Harbison, is a story about a girl who dies and is judged by those she has wronged during her short life. Reminiscent of A Christmas Carol's past/present/future ghosts but with a different and modern twist. Our MC, Bridget, was merciless with her peers and her family.
