Home - Peace and Conflict Resolution Conference

The Council is charged with being a strong resource and a collaborator with the United Nations and other international and national organizations whose purposes include promoting peace, harmony, tolerance, and mutual respect among human beings and the evolution of world social and economic justice.

Speakers - Peace and Conflict Resolution Conference

Peace and conflict studies is a social science field that identifies and analyzes violent and nonviolent behaviours as well as the structural mechanisms attending conflicts (including social conflicts), with a view towards understanding those processes which lead to a more desirable human condition. A variation on this, peace studies (irenology), is an interdisciplinary effort aiming at the ...
