Fahy certainly has a real knack for creating Warren Fahy's new novel, *PANDEMONIUM*, isn't really a "new novel" at all - Fahy released a self-published Kindle version in February of 2011, after he and his publisher came to a parting of the ways.

Pandemonium by Warren Fahy - Goodreads

Warren Fahy's previous novel, *Fragment*, saw the discovery of a long isolated island, Henders Island, with its own very distinctive ecosystem -- including animal life that had evolved very differently than anywhere else on earth and much of which, if it ever reached and spread elsewhere on earth, could wreak incredible (and ultimately near-complete) ...
