That means that, thought of in this manner, it is the principle of unity that we subtract from this idea. In Relation the whole is not the finality of its parts: for multiplicity in totality is totally diversity. Let us say this again, opaquely: the idea of totality alone is an obstacle to totality.

GLISSANT, Edouard. Edouard Glissant (1928 - 2011) was a Martinican poet, novelist and theorist. He is especially known for his "Poetics of Relation", an exploration of relational belonging as a decolonial poetic intervention. Initially, Glissant's work was directed against the essentialising tendencies of the négritude movement, which, in turn,...

GLISSANT, Edouard - GLOBAL SOCIAL THEORY

For example, in his text Poetics of Relation, Glissant explores the concept of opacity, which is the lack of transparency, the untransability, the unknowability. And for this reason, opacity has the radical potentiality for social movements to challenge and subvert systems of domination.
