### **Happy Moscow by Andrey Platonov | Quarterly Conversation**

Happy Moscow by Andrey Platonov was written and is set in 1930's Soviet Union. It manages to be both a dynamic and a somewhat hyperactive tale while at the same time delving into the depths of

despair. Platonov's short novel was not published until 1991.

### **Babbling Books: Happy Moscow by Andrey Platonov**

Moscow in the 1930s is the consummate symbol of the Soviet paradise, a fairy-tale capital where, in Stalin's words, "life has become better, life has become merrier". In Happy Moscow Platonov exposes the gulf between this premature triumphalism and the harsh reality of low living standards and even lower expectations.

### **Book Review: Happy Moscow by Andrei Platonov | Mboten**

Andrei Platonov, August 28, 1899 – January 5, 1951, was the pen name of Andrei Platonovich Klimentov, a Soviet author whose works anticipate existentialism. Although Platonov was a Communist, his works were banned in his own lifetime for their skeptical attitude toward collectivization and other Stalinist policies.
