*High Rise* by JG Ballard. One of Ballard's finest dystopian novels, *High-Rise*, takes a community of a forty floor apartment block and narrates the collapse of its middle-class British social ethics and morality, evolving into a renascent primal violence fuelled both by the sub-conscious urge to destroy all trappings of modern civilization...

**High Rise by JG Ballard book review**

The literary distinctiveness of Ballard's fiction has given rise to the adjective "Ballardian", defined by the Collins English Dictionary as "resembling or suggestive of the conditions described in J. G. Ballard's novels and stories, especially dystopian modernity, bleak man-made landscapes and the psychological effects of technological, social or environmental developments".

**J. G. Ballard - Wikipedia**

James Graham "J. G." Ballard (15 November 1930 – 19 April 2009) was an English novelist, short story writer, and essayist. Ballard came to be associated with the New Wave of science fiction early

in his career with apocalyptic (or post-apocalyptic) novels such as *The Drowned World* (1962), *The Burning World* (1964), and *The Crystal World* (1966).

**Typescript summary notes for High-Rise by J G Ballard ...**

4.5/5 (Very Good) J. G. Ballard's *High-Rise* (1975) is a fascinating yet relentlessly mono-thematic novel inspired by the effects of class conflict, urbanization, and overpopulation on society drawing on some ideas explored in earlier SF masterpieces such as John Brunner's *Stand on Zanzibar* (1969) and Silverberg's *The World Inside* (1971) (both of which I prefer to *High-Rise*).

*High-Rise* is director Ben Wheatley's 5th full length feature (*Down Terrace*, *Kill List*, *Sightseers*, *A Field in England*) his biggest budget and his most ambitious. An adaptation of J.G. Ballard's novel of the same name, although I haven't read the book I do hear that it's a pretty faithful telling.

**High-Rise (2015) - IMDb**

A high-rise building is a tall building, as opposed to a low-rise building and is defined by its height differently in various jurisdictions. It is used as a residential, office building, or other functions including hotel, retail, or with multiple purposes combined. Residential high-rise buildings are also known as tower blocks and may be referred to as "MDUs", standing for "multi-dwelling unit".
