It also includes detailed worked examples and step-by-step explanations to help students develop their problem-solving strategies and skills and consolidate their understanding.

Pollack & Stump, Electromagnetism | Pearson

I love this book, and I don't really like electromagnetism. Pollack and Stump use an easily understood writing style that is concise, thorough, and occasionally witty. Their use of extensive examples is great for the visual learner. This book covers a full academic year's worth of advanced electricity and magnetism courses.
