Others James Herbert

Truly disturbing novel from Herbert! I've read a few others by Herbert and they have all been pretty good horror/thriller novels but he exceeded himself with this one. It tells the story of the redemption of Nicholas Dismas, a private investigator with a deformed body who describes himself as a monster.

Others by James Herbert - Goodreads

Others is a tale of hope, redemption, and even romance. If you are a fan of early James Herbert books and have not yet experienced Others, I urge you to look for a copy. There is a Kindle version available, and used copies are plentiful and inexpensive. If you are among the uninitiated in regard to his work, Others might not be the best place ...

James Herbert - Wikipedia

Synopsis In James Herbert's Others, private investigator Nicholas Dismas is hired to track down a missing baby stolen away at birth, he finds himself immersed in a grim underworld of lies and deceit. His investigations ultimately lead him to a mysteriously located place with the seemingly innocent name of Perfect Rest, a nursing home where the elderly can live out their days in peace . . .

Others by James Herbert

This James Herbert book was very different from the other books I have read by him (The Rats, The Fog, The Dark). The whole story is told by the point of view of one character and there are only a few gory scenes (although when there are bloody scenes, they are very gory and vividly described).

Others is the book that lovers of horror fiction dream about, and James Herbert is the author that all Horror writers should strive to be. Without a doubt I have never read a horror novel of this caliber, nor have I read an author with this amount of talent. Herbert himself has a tendency to take us through some amazing twists and turns in his stories, tugging at our emotions and at our fear ...

Others book by James Herbert - Thriftbooks

Prolific horror writer Herbert (Portent, 1996, etc.) revives a sentimental favorite, Victor Hugo's Quasimodo, dresses him up in a modern setting, and sends him forth as Nicholas Dismas, private investigator. Dismas was so malformed at birth—hunchback, spinal curvature, twisted and withered right leg, birdboned chest, a forehead overlapping his eyes, overlarge ears, flat nose, backhair that ...

I loved Others by James Herbert a lot. It was a gripping, disturbing action packed book full of believable characters. The reader was good, but back in the early 2000s I bought the abridged version on cassette read by Robert Powell and I honestly think that he was a better reader with more expression and better voices than the bloke who read ...
