Paw Tracks In The Moonlight

Set against the rural splendour of Northumberland, "Paw Tracks in the Moonlight" charmingly chronicles the adventures of one man and his Maine Coone cat. From an invasion of bees at Owl Cottage to the case of the disappearing tomatoes, life with Toby Jug - who believes himself to be human - is never dull.

Paw Tracks in the Moonlight by Denis O'Connor - Goodreads

Paw Tracks in the Moonlight is an exquisite book recalling the life and adventures of a very special cat named Toby Jug. Dr. O'Connor tells the tale, beginning in the winter of 1966, of how he rescued an injured Maine Coon mother cat and her two kittens in the middle of a vicious English snow storm.

Paw Tracks In The Moonlight (2000) About book: I absolutely hate it when a book makes me cry, but you'd have to be a bona fide psychopath not to feel strongly at moments while reading this. This cat is simply amazing, and the author a credit to his own race. Reflective, romantic, sometimes a bit mystical, and punctuated with plenty of adventure, peril, and even some humor and indignation, this ...
