Paradigms of AI Programming: Case Studies in Common Lisp. Jump to navigation Jump to search. Paradigms of AI Programming: Case Studies in Common Lisp (ISBN 1-55860-191-0) is a well-known programming book by Peter Norvig about artificial intelligence programming using Common Lisp. 1 History.

Paradigms of AI Programming: Case Studies in Common Lisp
The first chapter give a pretty good introduction to common lisp. The second chapter's example is a rule driven program which creates simple English sentences; the emphasis is on creating a rule based "programable" solution. The third chapter gives a rather brief overview of part of common lisp. It also gives a few guidlines on style and ...
